Wine Attitude

This wine is made in an alluring fruit-forward style, so if you're a little shy, our Pinot Noir will make the first move. The romance begins with pretty violet aromas that lead to a symphony of juicy black cherry flavors with hints of toast on the palate, and to finish, a silky smooth embrace that would make Casanova jealous. You'll swoon, you'll sigh—this is L-O-V-E.

Vineyard and Winemaking

Fancy a little splendor in the glass? Turn down the lights, turn up the Barry White and uncork the Ménage à Trois Pinot Noir. When it comes to affairs of the palate, we've always felt that three was much more fun than one, so we played matchmaker and brought together grapes from three distinctive California wine growing regions known for producing exquisite Pinot Noir. Clarksburg grapes add bright flavors and a lovely perfume. North Coast grapes add silkiness, and Central Coast fruit rounds out the blend with beautiful complexity. Enhanced with French and American Oak, our Pinot Noir is sure to have you waxing poetic. How do I love thee? Let me count the ways...
