VINEYARD AND WINEMAKING

A great rosé is all about balance—that's why our winemakers looked to two distinctive California AVAs to craft Bouquet Rosé. Grapes sourced from marine-influenced Lodi/Clarksburg vineyards offer generous fruit flavors and body, while grapes from cool Central Coast vineyards bring freshness and acidity to the blend. With delicate plum, blueberry and cranberry flavors, Merlot is the heartbeat of Bouquet Rosé. To round out the flavor and texture, winemakers added full-bodied Syrah, sweet, floral Gewurztraminer as well as hints of lush Moscato and crisp Chenin Blanc.

TASTING NOTES

Prepare to swoon! Ménage à Trois Bouquet Rosé is blooming with pretty floral aromas, juicy, fresh berry flavors and a silky-smooth finish. This alluring blend of Merlot, Syrah and Gewurztraminer, will surely win over your heart—and palate—after just one sip.
