

Ménage à Trois

LIGHT

2023 PINOT GRIGIO

VARIETAL INFORMATION

California Pinot Grigio

WINE ATTITUDE

Yes, you can have it all, even when leading a healthy, balanced lifestyle! Raise a glass of our lovely Light Pinot Grigio—it's everything you want from Ménage à Trois wine, just with fewer calories and lower alcohol. Light Pinot Grigio is bursting with fresh floral aromas and our signature mouthwatering flavors of crisp green apple and tropical fruit—we love it as a delicious complement for lighter fare.

VINEYARD AND WINEMAKING

At Ménage à Trois, we are staunch believers that wine is an essential part of a life well-lived, which is why we wanted to create a Pinot Grigio that offers all of the big, beautiful flavors we're known for, but with a lighter profile. But lighter doesn't mean we're cutting any corners; we source top quality fruit from premium California vineyards and meticulously craft a wine that reflects true varietal character and flavors. The only difference is that we slightly altered our winemaking techniques to reduce alcohol content to a lower 8%. For our Light Pinot Grigio, we used 100% non malolactic fermentation to maintain crisp acidity. The result is a sophisticated, stylish wine with full flavors, light body and a bright finish. With just 85 calories and 8% alcohol, you can raise a glass to the good life without any guilt!

TASTING NOTES

Now you can enjoy a better-for-you lifestyle without giving up the things you love! Ménage à Trois Light Pinot Grigio sweeps you off your feet with beautiful aromas of citrus and honeysuckle that lead to swirling flavors of green apple, nectarine and tropical fruit that conclude in a bright finish on the palate. It's a joyful, refreshing experience from the very first sip—enjoy it chilled alongside spicy grilled shrimp, creamy pastas or citrusy salads.

ALCOHOL: 8.20%
